Wildhaber Says That Murphy Pointed Out Man He Wanted "Done Up."

A confession by Ernest Wildhaber the Structural Iron Workers' Union with hiring three Bowery thugs to go to Jersey City and disable John W. Burke, pusiness agent of the Hoisting En cineers' Union. Wildhaber was captured after hooting Friday night. His companions, "Big Silm" and "Kid Dynamite," who did the shooting, escaped. Wildhaber has since been held without ball as material witness.

Capt. Lee and two detectives got Wildhaber last night, cross-questioned him until they had riddled stories he had previously told and then prevvailed on him to tell the truth. On Jan. 30,- Wildhaber said, Murphy met the three thuge in Jersey City and guided them to Pailsade avenue and on a building. Burke was pointed out to them, and they were instructed to 'do him up" that night. Their instruc tions were to give Burke a terrible beatng, but not to kill him.

Burke did not appear at the place night of Thursday, Jan. 30. They went Burke in a saloun. In the mean time Burke had been "tipped off" that he was to be besten up, and as soon as he saw "Kid Dynamite" he made for him.

The thug was getting the better of Burke when Conroy mixed in and was ering between life and death, with the hances about even either way. Capt. Lee took a copy of Wildhaber's confession to Judge Carey in the Court of Oyer and Terminer to-day. On the strength of the new development the ball of Murphy, who was arrested Monday, was raised from \$2,500 to \$5,000.
